

POAs Hosting Evening of Drawings and Drinks with Talented Artist Michael White

Friday, June 2nd, 6-8 pm

Come and learn a bit more about the history of Garden City through the wonderful artwork of Michael White. Co-sponsored by the Property Owner's Associations (POAs) and the Garden City Historical Society, this exhibit will take you on a journey of all that is special about our Village.

Through the beautiful artwork of Michael White, you will see drawings of some of our historic buildings and the architecture of many of our unique homes. All of this will be shown in the Historical Society Museum, an Apostle House that has a history all its own.

Light cocktails and fare will be served, allowing everyone time to mingle and meet some new neighbors and friends. There will also be a raffle, with the lucky winner receiving a custom sketch by Mr. White.

Admission is free, but please pre-register using this QR code. For more information, go to GCPOAs.org.
